10 - 12. soruların cevaplarını verilen parçaya göre işaretleyiniz.

It is quite normal to watch a traffic accident on the evening news. It is annoying but here is a list of precautions. Firstly, there should be a more serious training process for the drivers. Secondly, traffic tickets can be increased so that drivers obey the rules more strictly. Sometimes the reason is the road factors not the people. So, roadworks must be done more properly. Furthermore, very old cars should be banned from the traffic. Finally, traffic controls should be done more often and seriously. In conclusion, it is possible to decrease the number of traffic accidents with some effective solutions.

10. The main objective of the writer is - - - .

- A) to give some solutions to traffic accidents
- B) to tell about the yesterday's evening news
- C) to inform the drivers about the new traffic rules
- D) to give some general information about the traffic tickets
- E) to give some advice to drivers about less fuel consumption

11. According to the paragraph - - - in order to make the drivers follow the rules.

- A) everyone should watch the evening news
- B) roadworks should be done more carefully
- C) old cars may be banned from the traffic
- D) lower speed limits may be a solution
- E) there should be higher tickets

12. What can be the meaning of the word "ban" in the paragraph?

- A) To prohibit officially or legally
- B) To start to produce flowers
- C) To say something in reply
- D) To approve of something
- E) To annoy someone
