18 - 19 - 20. soruları aşağıda verilen parçaya göre cevaplayınız.

Last year, I went to Amasya. It is located in the steep rocks of the Harsane mountain and by the Yeşilırmak in the Black Sea Region in the north of Turkey. As I learnt, it was the hometown of many civilizations so there are various architectural styles. There are many traditional Turkish mansions. They are well-preserved and the best examples of Turkish architecture.

We visited the Ferhat's Water Channel, Yıldırım Beyazıt Mosque and its Library (handwritten works), Bimarhane Mental Hospital (cure with music), Kapı Ağa Medrese (theological school), King Rock Tombs, Grand Baazar but this Baazar is smaller than the ones in İstanbul and Bursa. The Archaeological Museum of Amasya has an interesting collection including the mummies. Also, the city is well-known for its apple. Peach, cherry and onion are also grown there. People there are very hospitable to tourists. So, it is such an amazing city that I will see once again with my family next year.

18. According to the text, which one is false?

- A) Amasya protects traditional Turkish mansions.
- B) Different civilizations lived there throughout the history.
- C) The symbol of Turkey is the Grand Baazar in Amasya.
- D) Doctors used music to cure mental patients there.

19. You can see different architectural styles in Amasya because - - - - .

- A) it was the home of many different cultures
- B) this region has a long river called Yeşilırmak
- C) very kind people live in the Black Sea Region
- D) it was one of the leading cities in the War of Independence

20. According to the text, - - - - .

- A) you can grow only fruits such as apple and cherry in Amasya Region
- B) in Turkey, there aren't any examples of the Grand Baazar except the ones in Bursa and İstanbul
- C) the writer doesn't have an intention to revisit this city, Amasya
- D) people can see the examples of mummies in Turkey thanks to Amasya
